## 坂内拓 / Taku Bannai

Originally from Tokyo, he is an illustrator. He primarily creates collages and artwork for advertisements, books, magazines, and jackets. His major works include Volkswagen advertisements, the "BGM" for the theater company Roro, the film "Honey Boy," Coca-Cola's "Ayataka Cafe," and the visuals for the Pocari Sweat commercial song "BLUE SOULS." His lyrical perspective on everyday scenes and minimalist style that leaves space in his works leave room for the viewer's imagination, allowing him to weave various stories.
